

**THE ANNUAL
CONGREGATIONAL MEETING
OF THE AMERICAN CHURCH IN PARIS**

26 March 2017

Annual Congregational Meeting to receive the Annual Ministry Reports from the Council and Pastoral leadership of the American Church in Paris (ACP) and participate in group discussions on the following questions:

1. What is one of your most significant experiences of God here at ACP? Give details if possible. What happened, who was involved, how did it feel, what difference did it make, etc.
2. At ACP what has most contributed to your sense of community shalom (peace, unity, belonging) even in times of conflict, differences of opinion, difficult circumstances?

Since we believe that the listening is just as important as the sharing, we hope that you can participate in this discussion at the congregational meeting.

If, however, you are unable to attend, please consider sharing your responses to the aforementioned questions on our website form at www.acparis.org.
