**What portion of my income should I/we promise to give?** Every person must ask God, "What would you have me give?" We are called to give sacrificially and in proportion to what we receive. Each of us must consider, with the Lord's guidance, how much that portion should be.

**Can I get a tax deduction for my contribution to the ACP?**

Yes. In France, your gift in Euros is deductible under the category "réduction pour dons à des organismes d'intérêt général." The ACP issues year-end receipts of giving acceptable for French tax authorities in Feb/March. If you wish your gift to be tax-deductible in the United States, you must make your check payable to our parent organization The American and Foreign Christian Union (AFCU) with the words "for ACP" in the memo line.
